Ahmedabad

GTU Research and Consultancy Services Cell

(GTU-RCSC)

INVITATION to Faculty Members

Gujarat Technological University (GTU) has a large number of highly qualified faculty members in different fields of technology and management. Hence GTU can provide consultancy services to large and complex consultancy projects for industries and business as well as for government organizations. The project may be requiring engineering competence or it may require expertise in the areas of management / finance / HR.

GTU invites the faculty members who are interested in GTU-RCSC to furnish the details according to the [proforma](#) and write to ar_academic@gtu.edu.in before 16th September 2012.

GTU-RCSC will initially focus on areas like Urban Development, Water supply, Environment EIA/SIA, Capacity building programs, Project Report, Financial Analysis etc. However, problems in any area of engineering or business studies will be welcome.
