Preparing New Students for GTU's Colleges

Short Term Course - GET SET GO

Education is very much an important part of individual's up-bringing. The present day education system is continually in the state of reformation so that it encompasses the industrial demands. Government of Gujarat has come up with a revolutionary measure to bridge the gap between requirements of educational system and industries, whereby the specially customized short term courses are prepared that will empower the youth with high expertise and open up new opportunities.

Gujarat Technological University and the Gujarat Knowledge Society together have decided to launch a unique programme "GET SET GO" for the students who are aspiring to seek admission to Degree/Diploma Engineering, Pharmacy and other Disciplines. This programme would facilitate the candidate to be trained in the foundation courses such as: Advanced Computer Concepts, Technical Communication, Value Education and Life Skills. The training would enable the candidates with skills that would empower them with the refreshing and upgraded understanding to guide them to higher dimensions of knowledge in coming years.

The training will be conducted by the Training Partners of Gujarat Knowledge Society at all the identified centres of the institutes affiliated to the Gujarat Technological University and some schools and colleges. The course fee for all the three modules will be Rs.3000/Candidate and the Course duration for each module is 60 Hrs, i.e. in total 180 Hrs. The minimum batch
