

Gujarat Technological University

Organizes

One Day Workshop on

“Patent Search & Analysis Report (PSAR)”

For Pharmacy Faculties of GTU

On 28th December 2013, Saturday

ABOUT THE PROGRAMME

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU has successfully organized 25 faculty workshops and 10 student workshops on various themes viz. “Patenting in Engineering”, “Patenting in Pharmaceuticals” and “Patent Search Methodology” at different zone of GTU since September 2011 to till September 2013. In this process nearly **3000 faculty members** and **3000 students** have been trained and aware about the basics of IPR and Patent in particular. Due to these efforts, within 2 years time period **217 Patents have been filed** by GTU affiliated college students and faculty of Engineering and Pharmacy discipline. This number is higher than any IIT of our country for the same period. The credit goes to the students, faculty and all the stake holder of research and innovation, who have actively engaged in the promotion of IPR.

Now this year also many M. Pharm students are going to pursue their dissertation projects. So if they understand the in depth about how to do a patent search, it will be helpful to them to select a research topic which will be of novel one. Further, if satisfy selected topic fulfills all three criteria of patentability then the invention done by the student can be patentable too. With this objective GTU has organized exclusive workshop for Pharmacy faculty on “*Patent Search and Analysis Report (PSAR) Generation*” on 26th October 2013, Saturday, which achieved a huge success. GTU has decided to include “*Patent Search and Analysis Report (PSAR) Generation*” as a part of evaluation of M. Pharm students during Mid Sem review. Hence training of at least one PG faculty per department, per institute is highly desirable. To do so GTU is organizing one day workshop on “*Patent Search and Analysis Report (PSAR) Generation*” on **21st December 2013, Saturday**.

OBJECTIVES

- The main objective is to increase the novelty level in the dissertation topics selected by the students of M. Pharm
- To give hands-on-training of Patent Search
- To give hand-on-training on Preparation of Patent Search and Analysis report

RESOURCE PERSONS

Techno-legal Experts from Industry and Academia from **Pharmacy** sector will be invited.

PARTICIPANT'S ELIGIBILITY

- Faculty members from all the GTU affiliated Pharmacy colleges, wherein M. Pharm course (in any specialization) is running.
- **From each college, it is highly desirable that 01 (One) faculty per each PG specialization branch should participate. Maximum limit per college is 05 faculty members.**
- Faculty who have already attended pervious PSAR program can also participate.

TRAVEL AND ACCOMMODATION

Participating faculties have to make necessary arrangement for their travel and accommodation and TA/DA will not be provided.

REGISTRATION FEE

Registration is Free for Faculties from GTU affiliated Pharmacy colleges.

HOW TO REGISTER?

Send Registration form online using below mentioned link on or before 26th December 2013, Thursday.
