Organizes

One Day Workshop on “Patent Search Methodology” For Engineering Faculties of GTU On 16th February, 2013, Saturday

ABOUT THE PROGRAMME

During Phase-1, after successful completion of seven different Two days Workshop of “Patenting in Engineering” at different zone of GTU along with one workshop on “Patenting in Pharmaceuticals” during September 2011 to June 2012, so far nearly **1000 faculty members** have been trained in the aspect of basics of Patents and IPR, Patent Search, Drafting and Filing of the same in the last academic year. Simultaneously awareness seminar on IPR was also conducted for engineering students wherein nearly **1000 students** sensitized at different zone for the same.

Then during Phase-2 (September 2012 to November 2012), again 08 workshops on “Patent Search Methodology” had been conducted at different zone of GTU. In this process nearly **1400 faculty members** of Engineering discipline has been trained.

Now in this current semester, when students of semester VIII are going to work upon their topics for IDP / UDP, it is necessary that if the said topics will be screened thorough Patent Search then it will make more possibility for Patentable projects. This will add values in the research done by the students at grass root level and by and large boost up the goal of university to progress towards world class research oriented university.

GTU has more than **17000 faculty members**, out of which so far we can able to reach upto 15% part only. Therefore in this Phase 3, GTU has decided to continue to organize One Day workshops on “*Patent Search Methodology*” for the faculty of Engineering at different zone level.

OBJECTIVES

- To provide an Overview of IPR and Patentable subject matters
- To give hands-on-training of Patent searching technique using Open Source database

COURSE CONTENT IN BRIEF

- Basics of IPR and Patent
- Patentable Subject matters in different field of Engineering
- Different techniques for Patent search using Open source Databases
- Demonstration of Patent search for Patentability aspect

RESOURCE PERSONS

Experts from Industry and Academia from **Engineering** sector will be invited and will be announced soon on GTU website.

PARTICIPANT'S ELIGIBILITY

Engineering Faculty members of GTU affiliated colleges can participate in this workshop. Maximum **150 participants** on first come first basis will be selected.

TRAVEL AND ACCOMMODATION
