Circular

Any good university always strives to make the syllabus of its academic programs relevant and contemporary. With changing situation and up gradation in technologies, it is necessary to change syllabus at regular interval. GTU has decided to revise the syllabus of various courses of Bachelor of Engineering program from academic year 2013-14. With a view to get the suggestions from academicians and industry personnel, a seminar is scheduled on 2nd February 2013. Those who are willing to attend the same may send their details (name, affiliation, email and mobile number) to bhatt_nilesh@gtu.edu.in / ar_academic@gtu.edu.in by 22nd January 2013. Venue of the seminar and details schedule will be circulated later.
