

**INDEPENDENT CAREER ORIENTED PART-TIME COURSE****PG DIPLOMA IN FINANCIAL MARKETS ENTREPRENEURSHIP**

The Gujarat Technological University aims at conducting a series of career-oriented courses, preparing students for various entrepreneurial opportunities in financial markets. GTU has decided to launch a specialized one-year part-time Post Graduate Diploma in Financial Markets Entrepreneurship Course (PGDFME) in collaboration with National Stock Exchange of India Ltd. (NSE), which aims at preparing entrepreneurs for trading in different financial markets segments ó on their own or with market participants. It is a comprehensive course on all major financial markets that is especially designed to equip an individual with the desired knowledge, tools and skill sets to become entrepreneurs in a large and growing field.

**Major Objectives:**

1. To provide knowledge of the functioning of all major Financial Market segments, including Derivatives Markets.
2. To provide hands-on exposure to practice in financial markets ó cash and derivatives segments.
3. To give the opportunity to work in a financial technology lab with a simulated trading environment using live market data.
4. To create financial entrepreneurs and knowledgeable traders in sophisticated financial products ready with the required financial market skills.
5. To inspire students to start and run their own entrepreneurial venture for financial markets investors or market participants.
