

An Appeal

GTU Fund for Uttarakhand

Due to a natural calamity, thousands of lives have been lost in Uttarakhand and many families have been shattered. The age-old four 'dhams' have suffered major damages. It is our duty to come forward and contribute our mite so that life in the area can be rebuilt.

Professor B.M.Peerzada has offered that L.J. Trust will take the first step by contributing a sum of Rs. 1 lakh for the GTU fund, which we are setting up for Uttarakhand. The amount will be deposited in the Gujarat Chief Minister's Fund for use in Uttarakhand.

I, therefore, appeal to the entire community of GTU to donate to the **GTU Fund for Uttarakhand**.

You can deposit your donation at the University's Accounts counter. Or you can send the donation through a Demand draft in favour of Gujarat Technological University Fund for Uttarakhand (GTUFU), payable at Ahmedabad.

Let all the Colleges, faculty members, parents of our students, university and College employees and all other members of the GTU family donate as much as they can for this worthy cause so that GTU can put together an amount, appropriate for this great University. The names of the donors, who donate Rs 50,000 or more will be published on the Donor's List on our web-site.
