

GUJARAT TECHNOLOGICAL UNIVERSITY

NOTICE

2-day Faculty Development Workshop for 'Contributor Personality Development Program'

As part of GTU's initiative to offer continuing support to faculty members conducting Contributor Personality Development Program, we are organizing a Faculty Development Program in Surat on 16th & 17th March (*Saturday & Sunday*) at the following venue.

Venue:

**Government Polytechnic for Girls,
Athwa Gate,
Nanpura, Surat-395001**

Kindly Note:

- i. It is the prerogative of the respective institute heads to ensure that every teacher conducting this course attends this 2-day workshop.
- ii. Faculty members who have already attended this training program in the past **NEED NOT** attend again. (*except those in point v below*)
- iii. If a new faculty member is conducting the course in this term, it is recommended that s/he attends the FDP rather than **only** taking the training from an experienced colleague (*faculty who taught the course in earlier semesters*)
- iv. Visiting faculty members should also be nominated for this 2-day training program.
- v. This year's audit results continue to show the high correlation between low grades & untrained faculty members. **All institutes which have been graded "C or F" are mandated to send their CPD faculty members for this 2-day FDP even if they have attended this training in the past.**
- vi. Workshop timings are from 9:30am - 5:00 pm on both the days
- vii. Only Faculty members who attend **both** the days of the training program are eligible for a certificate

To register for the workshop click here: [2-day FDP on 16th & 17th March, 2013](#)
