

# GUJARAT TECHNOLOGICAL UNIVERSITY

## Notice

All Principals / Directors of Institutes where “Contributor Personality Development Program” (Subject Code 1990001) is running.

Dear All,

Gujarat Technological University received a grant from Adani Group for the Contributor Personality Development Program (CPD) for the academic year 2012 – 2013. i-become has facilitated CPD for the academic year 2012 – 2013. Now, as the term period of grant gets over and according to the proposal of i-become, to access i-become’s online Learning Portal “ActivGuide™”, the institutes desirous of accessing the online learning portal will need to pay a **one-time** subscription fee of Rs 5,000 (Five Thousand) to i-become. This subscription will be active for a period of 6 calendar months from the date of registration. As part of this subscription, institutes will get the following:

1. 3 faculty login-ids
2. 150 student login ids.

Institutes can purchase as many login-ids as they desire. For example, if an institute has 450 students and if it wishes to give ActivGuide™ access to all its students, then the institute will need to subscribe to 3 licenses for Rs 15,000. This institute will then get access to 9 faculty login-ids & 450 student ids.

Please note, subscription to this portal is **OPTIONAL**. Online learning is not central to this course, though it has been observed that it significantly improves student’s learning.

Interested institutes can get in touch with the i-become team at the following e-mail ids for further clarification:

1. [piyush.p@illumine.info](mailto:piyush.p@illumine.info)
2. [pranil.n@illumine.info](mailto:pranil.n@illumine.info)
