

# GUJARAT TECHNOLOGICAL UNIVERSITY

As we all are aware that the Gujarat Technological University is known for excellence in technical educations and business management. The

university also provides various courses and specializations in the field of pharmacy, computer applications and in doctoral programs. Today we have around 400 thousand students with 20 thousand faculty members engaged in imparting quality education using contemporary methodology and with focus on innovation and research in emerging areas. Within a very short span of time, GTU has

been bestowed upon six prestigious awards at national level for innovative professional achievements in education.

Sunita Williams, a name who doesn't require an introduction, is an Indian- American Astronaut and a United States officer who holds record for longest space flight by a woman. An ideal role model for any students, she holds the record number of spacewalks and most spacewalks time for a female.

We are glad to inform you that an eminent personality, Ms Sunita Williams is visiting GTU Chandkheda Campus on April 6, 2013. Its immense opportunities for scholastic students, learned faculties, experienced principals / directors, researchers and corporate associates. This is an occasion, where exists an opportunity for our students to meet, interact and learned and get valuable guidance and tips from Ms Sunita Williams. She will be interacting with the participants from 9 am to 11 am at the given venue.

GTU has uploaded link for Branch wise top 2 students (Summer 12 Regular Exams) of BE semester 2, 4 and 6 having CPI 7 or more in college Admin Panel (<http://107.22.240.184/admin>, [Instructions](#)). All the Directors/Principal of Concern College are requested to approve student names who are interested to interact with Ms. Sunita Willams on or before 4<sup>th</sup> April 2013 04:00 PM. GTU will scrutinise and upload the list of 200 selected students on 5<sup>th</sup> April 2013 12:00 noon.

These 200 selected students will be invited to interact with Ms Sunita Williams on 6<sup>th</sup> April 2013 from 9:00 AM to 11:00 AM at GTU Chandkheda Campus.
