Ambulatory health network application designed by Jayesh Khasatiya of Shashtri Institute of Technology, Jetalpur bagged another appreciation award during GYTI 2013.

GTU teams bagged a total of 4 awards this year at national level and proved its commitment toward bringing an innovation culture involving students, faculties, MSMEs and solving the unsolved challenges of industries and society. During the award function Dr Akshai Aggarwal, VC GTU highlighted the efforts at GTU Innovation Council and other related activities which have brought significant results within the short span of its inception.

Dr. R.A.Mashelkar interacted with each of the above teams from GTU and appreciated their efforts and motivated them to take their ideas to market to create value for money and also value for many. The organisers had invited the faculty guides, who had played a critical role in motivating their students to take up innovative projects, of each team to the event.
