Technology Gandhinagar

GTU-IEEE FACULTY DEVELOPMENT PROGRAM

Specifically Designed to Improve Your Effectiveness as a Teacher

Inauguration by Hon. V.C, GTU, Dr. Akshai Aggarwal
Program Chair: Prof. Michael Lightner, IEEE V.P. Educational Activities,
2006 IEEE Past President

**Organized by GTU, IEEE,
IIT-Gandhinagar**

VENUE:

INAUGURATION:

13 Nov 9.30am-10.30am
B-0 Auditorium Hall, GTU
Chandkheda Campus

TECHNICAL SESSIONS:

13 Nov 10.30am onwards
IIT-Gandhinagar Campus,
VGEC Complex, Visat
Gandhinagr Highway,
Ahmedabad - 382424,
Gujarat

DATE:

13 Nov – 17 Nov 2013

ELIGIBILITY:

Open to all Engineering
Faculty. Seating is Limited.

REGISTRATION DEADLINE:

Don't miss this opportunity to
upgrade your knowledge, skills
and creativity in enhancing the
education of your students.

Register before: 31 Oct 2013

or send an email to:
ieeefdp@ieee.org

THE PROGRAM: Designed by academics and professionals from around the world to meet your needs, this innovative new resource will provide faculty with:

- Web-based Best Practice Courses of Study
- Teaching Tools
- Instructor Guides
- Sample Problem Sets
- Lab Exercises
- Online Simulations for Electrical, Electronic, and Computer Engineering Courses

WHY YOU SHOULD ATTEND:

By Participating in the IEEE Faculty Development Program you will:

- Acquire tips and guidance you can put into action immediately
- Enhance your course topic knowledge in accordance with international standards
- Become familiar with research-proven pedagogical theories and practical techniques and become a more effective teacher . . . and improve your students' ability to learn
- Contribute to the enhancement of quality engineering education in India
- Receive an IEEE Certificate for completing the program
