

**Gujarat Technological University**

**ALUMNI ASSOCIATION**

*Two days Training program on*  
*Let's communicate*  
*for GTU pass outs on*  
*18<sup>th</sup> and 19<sup>th</sup> November, 2013*

Gujarat Technological University is established by Government of Gujarat by Gujarat Act no. 20/2007 and subsequent to its establishment, University has already completed two convocations whereby more than one lakh students have been awarded degrees in the field of engineering, pharmacy, business studies and computer applications.

In a survey made by the GTU Alumni Association, it has come to the knowledge that few pass outs have not been employed and those who are already employed have not been employed appropriately. Though the pass outs possess requisite University education and a degree, they still need to be molded for enhancing their employability.

Gujarat Technological University has, therefore, designed a Training program (phase wise) for all the graduates/post graduates (whether he/she is a member of GTU Alumni Association or otherwise) for imparting training in the areas of:

- Spoken English
- Personality development
- Interview facing techniques
- Soft skills development

The training will be conducted by **Shri Ashish J. Soni** who is a renowned motivator, trainer as well as a social worker and has organized number of such programs for 8 years in USA and 9 years in India.

**Gujarat Technological University**

**ALUMNI ASSOCIATION**

He is very successful, energetic corporate trainer who has already trained more than 62500 students of 70 colleges affiliated to GTU. After successful training, the trainer has consented to upload the resume to more than 54 companies and a few placement consultants on behalf of the GTU Alumni Association

It is also proposed to plan in the interest of GTU's alumni for organizing students' visa fair and such other activities for studies in abroad.

A certificate of training will be issued by the Hon'ble Vice Chancellor, GTU to the alumni who have successfully completed the training program.

The registration can be made on or before 15<sup>th</sup> November, 2013 by filling up the registration form

<https://docs.google.com/spreadsheet/viewform?formkey=dGMtaVZaLTdLMkdmTFhxRkoxVTlsa1E6MA>

The registration is on a first come first basis and the confirmed registered names will be uploaded on the same website. A nominal registration fee of Rs. 100/- for two days can be paid on November 18, 2013 at the venue itself during registration.

The time for the program for both the days is 10 am to 4 pm and the venue for the training program is GTU Chandkheda.

**Prof. Dr. K. N. Sheth**
