GUJARAT TECHNOLOGICAL UNIVERSITY

OPEN SOURCE TECHNOLOGIES CLUB (OSTC)

GTU has introduced Open Source Technology Club initiative for all the GTU affiliated colleges in collaboration with Spoken Tutorial Project-IIT Bombay. To take the benefit of this opportunity, Gandhinagar Institute of Technology has established Open Source Technologies Club (OSTC).

The Inaugural function of Gujarat Technological University-Open Source Technologies Club (GTU-OSTC) initiated with warm welcome to all Executive committee Members and Students. In the inaugural function, there was a large horde in the seminar hall. The function was started with the Motivational and Informative Audio-video Clip prepared by the Spoken Tutorial Project Team at IIT Bombay. The audio-video clip provides the information about available Free and open source software and also the importance about their functionality and market segment or popularity.

Dr. N M Bhatt, Director, GIT addressed all the students through the motivational speech and also boost up them to have more participation in the workshops and make it huge success. He also mentioned the importance of learning a new technology for getting healthy placement. Then after, Prof. Svapnil Vakharia has introduced all the Executive Team Members of GTU-OSTC and list out all the earlier conducted workshops and the planning of the upcoming workshops. Prof. Rahul Vaghela provided the information about the procedure to participate in a workshop. The Session was ended with many questions and the answers were satisfactory responded by Prof. Rahul Vaghela. The Function was ended with vote of Thanks by Prof. Margil Shah.
