WORKSHOP ON JAVA

Under the initiative taken by GTU to start Open Source Technologies Club in collaboration with Spoken Tutorial Project-IIT Bombay, Open Source Technologies Club (OSTC) has been established at this institute.

Department of Computer Engineering organized a workshop on JAVA with the help of IIT-Bombay Spoken Tutorial Team for Computer Engineering students of Semester –V to boost the knowledge of JAVA among students. Total 19 students participated in this workshop.

Ms. Meenakshi, the Expert from IIT, Bombay conducted the workshop online through Skype. In the beginning she explained the aim and importance of Open Source Software and Technologies. She explained in brief the overview of JAVA and its importance in professional field.

All the participants had carefully watched videos on JAVA which were received from Spoken Tutorial Project-IIT Bombay and preinstalled in the Computer Systems.

At the end of workshop the Expert from IITB had taken the feedback from participants. We are thankful to GTU And IITB Spoken tutorial team for such a nice initiative. In future we will also conduct various workshops under OSTC.

Workshop Details:

|	
Workshop on:	JAVA
Workshop Code :	WC-3972
Workshop Time :	12:30 to 2:30 PM
Workshop Coordinator :	Prof. Avani Raval Head, Computer Engineering Department

Dr. J.N.Shah
Principal
