GUJARAT TECHNOLOGICAL UNIVERSITY

28.10.2013

<u>Oracle Academy Programme - Developing IT Skills</u>
5 days workshop on
Database Design and Programming with SQL

After a success of one day workshop of Alice 3 held at BISAG Gandhinagar on 5th Oct,2013 and 19th Oct,2013 Gujarat Technological University is going to organize 5 days workshop on Database design and programming with SQL from 18th Nov, 2013 to 22nd Nov, 2013 with Oracle Academy. Oracle proposes to work with Gujarat Technological University through the Oracle Academy program to support government's ongoing educational reforms and build human capacity in the state.

From this workshop the faculty of the colleges will receive training from Oracle trainers, thus, upgrading their professional skills and knowledge as well. This, in turn, will help create a sustainable model wherein the skilled faculty will be able to take up future training programs for the new faculty in future.

For this workshop registration from GTU affiliated Degree Engineering, Diploma Engineering (CE/CSE/IT) are invited.
