Subject: Invitation for State Level NVEQF seminar scheduled on 26th September 2013.

Respected Sir / Madam,

NVEQF is designed to stimulate and support reforms in skill development and to facilitate nationally standardized and acceptable international comparability of ranging qualifications from secondary to doctorate level; a National Qualifications Framework (NVEQF) is being established by the Central Government.

The major aim of the scheme is to prepare educated, employable and competitive human resources for various sectors of the economy and the global market. Accordingly the definite objectives of the scheme work out to enhance the employability of youth through competency based modular vocational courses, to maintain their competitiveness through provisions of multi-exit learning opportunities and vertical mobility / interchangeably in qualifications and to fill the gap between educated and employable; and to decrease the pressure on academic higher education.

Gujarat State has taken initiative to implement NVEQF for upgrading Vocational Education System. This seminar is organized with the aim to create awareness and sensitize the stakeholders about NVEQF.

Honorable Minister for State, Education, Women and Child Development, Prof. Vasuben Trivedi, has given her kind consent to be Chief Guest for the seminar.
