Report on Teachers' Day 2013

It was a day of honoring the Gurus, Celebrations & Social Service at Parul Group of Institutes.

Teachers' Day is celebrated in the memory of Dr. Sarvepalli Radhakrishnan to appreciate teachers for their efforts, the knowledge they impart and the values they instill. Teachers are the ones who render a unique personality to an individual; inspire and motivate them to become successful and considerate human beings.

Celebrations of Teacher's Day were carried out campus wide. The students ran the administration & teaching of all colleges at Parul Group of Institutes for the whole day as all the post of faculty members, head of the departments, principals and directors were assigned to students. The students enthusiastically took the regular lectures and took care of the responsibilities of HODs, Principals and slipped into their shoes to see a day in the life of their teachers.

Report on Teachers' Day 2013

Overall it was a day which had all the elements right from honoring the teachers to donating to the society.

Dr. Jayesh K. Patel
Hon. Chairman

A teacher affects eternity; he can never tell where his influence stops. The dream begins with a teacher who believes in you, who tugs and pushes and leads you to the next plateau, sometimes poking you with a sharp stick called 'truth.' I bow to my teachers who have guided me & made me capable of achieving my goals in life and wish that all the faculties of Parul Group of Institutes continues the wonderful work they are putting in.

*Happy Teachers Day
God Bless All !!*
