

No.: GTU/OA/ 2596

Date: 3rd April, 2014

**To,
Principal/Director
GTU Affiliated Colleges**

Sub: Fee waiver scheme of Oracle for GTU affiliated colleges.

Gujarat Technological University is working with Oracle Academy for bringing Oracle Academy to Gujarat; a large initiative supporting GTU affiliated institutions, students, and faculties in the State in the coming years.

Oracle Academy (<http://academy.oracle.com/>) is a part of Oracle's corporate citizenship efforts and is mandated to support the educational institutions across the world with the latest software, curriculum resources and professional development opportunities to the faculty with an objective of equipping the Faculties and in turn students with skills and knowledge to help them be successful in their future studies and workplaces. Currently, the program benefits over 1.5 million Faculties and students in 95 countries.

Advanced Computer Science course is designed for university computer science/Information Technology departments; this offering provides Faculties/students with hands-on access to Oracle database and middleware software. They gain exposure to Oracle's world-class software, giving them a competitive advantage as they prepare to enter the workforce. The membership of Advanced Computer Science will help GTU affiliated institutions get the latest software at annual fee of USD500 plus applicable taxes, which GTU affiliated college would be exempted by filling up the **Fee waiver Scheme form** as per format given in Annexure 1.

Kindly do revert with the Scanned copy of the Fee Waiver Scheme Document, signed and with the college Principal's sign by the 10th April, 2014 and e mail to gtuprojects@gtu.edu.in . Please include the name of the Computer Science/ Information Technology Head of the Department on the concerned field on the document. Also, please place the order online by visiting www.oracle.com/academy

For any clarifications/assistance, please feel free to write to suji.uchil@oracle.com (M - +91 99209 29432) or contact Mr. Naresh Jadeja, Dy. Director on deputy_dir2@gtu.edu.in .

Also, GTU is planning to organize following training programs with Oracle Academy under the Introduction to Computer Science. Separate announcement for the registration of these courses will be made on GTU website. All colleges should encourage their faculties for these training programs.

- Java Fundamentals & Java Programming - 2nd to 6th June 2014
- Database Design and Programming with SQL - 23rd to 27th June 2014

I/C Registrar

Annexure – 1
Fee Waiver Form

On the college letterhead

Dear Oracle Academy team:

I certify on behalf of the <insert Institution name, Department name> that:

- a. There is no license and or support sales deal in progress between itself and Oracle Corporation and that the fee waiver is not a contribution to any political donation or lobby effort.
- b. <insert Institution name, Department name> acknowledges itself as beneficiary of the one year Oracle Academy membership fee waiver of USD500 and/or associated shipping fees and such fee waiver is in compliance with local laws and our policies and is not an inducement to the to make procurement decisions in Oracle Corporation's favor.

We understand that Oracle may do business with our university and may seek to continue such business relationship. However, should this fee waiver be granted, it will not be connected to, nor intended to influence, any procurement activities or research results, and will not be connected to any claims that our university may have against Oracle.

Institution Name: <insert institution name>

Department Name: <department name>

Faculty Member/Department Head Name: <insert your name>

Date: <insert today's date>
