Strengthening CPDP: A One Day Workshop on Rethinking on Contents and Pedagogy of CPDP

Date: 25th April, 2014

GTU Chandkheda Campus

A Cordial Invitation

To,
All Faculty Members
Contributor Personality Development Program

GTU's CPDP Cell organizes "Strengthening CPDP: A One Day Workshop on Rethinking on Contents and Pedagogy of CPDP" on 25th April 2014 at GTU Chandkheda Campus.

Background:

GTU has started Contributor Personality Development Program (CPDP) since June, 2012. The core objective of the program is to develop the "Contributor ship" among the students of engineering, pharmacy and computer science – which enables the students to...

- Create Value – for self, for the organization and for society
- Takes charge and makes things happen, making a positive difference
- Create the opportunities and to see possibilities everywhere
- Obtain long term career success and life-fulfilment

GTU has organized a series of FDPs and workshops to train the faculties of CPDP during the initial phase. The faculties are teaching the course for the last two years. GTU's CPDP cell has recently took feedback of faculties to know the faculties' views on current status and the improvements of three core parameters of CPDP i.e. Course Contents, Pedagogy and Evaluation Pattern. Looking at the feedback, it was observed that there is a need to have a discussion on revamping the course contents, and pedagogy of CPDP to strengthen the program and to further enhance the effectiveness of subject. So it is decided to organize "Strengthening CPDP: A One Day Workshop on Rethinking on Contents and Pedagogy of CPDP".

The objectives of the workshop are as follows...

- (1) Discussion on how to strengthen CPD program
- (2) Discussion regarding improvement in the course content
- (3) Discussion regarding innovative techniques of teaching and learning pedagogy
- (4) To resolve the queries of CPDP faculties
- (5) To develop a platform for a continuous improvement in CPDP

Gujarat Technological University
