

Workshop on Systematic Approach of Involving Design in Curriculum.

Gujarat Technological University is organizing a workshop for the faculty members of Mechanical & Electrical Engineering Degree Engineering institutes affiliated to GTU.

Our guest for the workshop Prof. Sreenivasa Murthy served in IIT Delhi for more than 41 years as Asst. Professor, Associate Professor, Professor and Head of EE department before appointed as Vice Chancellor of the Central University of Karnataka by the President of India, Visitor to the University. He is an acknowledged international expert on Self Excited Induction Generators (SEIG) and his work is a legend with several original contribution and break through on Analysis, modelling, design, control and applications for standalone power generation using, oil engines, Biomass, small hydro and wind.(He is the originator of SEIG research in India and among the few in the world. In fact the acronym SEIG for Self Excited Induction Generator was proposed by him).

GTU has introduced 'Design Engineering' for the students of B.E. from semester III to VIII. Prof. Sreenivasa Murthy at Gujarat Technological University will address the faculty members and enlighten the Participants on the systematic approach of involving Design in curriculum. Faculties from Electrical & Mechanical Engineering disciplines from GTU affiliated colleges are invited to register for the workshop scheduled as per below mentioned details:

Date: 21st August, 2014

Time: 2:00 pm

For: Faculties of Electrical & Mechanical Engineering

Kindly register before 19th August 2014, 06:00 p.m. at the following link:

https://docs.google.com/a/gtu.edu.in/forms/d/1Tzaj6JbeDi_V9DR4s0It5UDYMKW_QSERHv3i6VDOj_dw/viewform

Program Venue:-

Gujarat Technological University, Nr.Vishwakarma Government Engineering College, Nr.Visat Three Roads, Visat - Gandhinagar Highway, Chandkheda, Ahmedabad
