

GUJARAT TECHNOLOGICAL UNIVERSITY

CIRCULAR

20.02.2014

INVITATION TO PARTICIPATE:

EXPERT WORKSHOPS IN PHARMACY

during the RESEARCH WEEK – 2014

Time: from 3: 00 pm onwards

Venue: GTU Chandkheda campus, Ahmedabad

every day from **Feb 20-March 6**

(according to the Table on the next page)

Since 2013, GTU has been organizing the Research week during the months of Feb-March, to review the progress of research carried out by Master's and PhD students. Eminent researchers from related fields examine the students and mentor them. This mechanism provides a platform to students to get a deeper insight into his/her respective research area. During the period from Feb 20 to March 6, a total of 1,612 students of M. Pharm and 71 students of PhD are going to present the progress of their research work to experts from industries and academia from within the state and from outside Gujarat.

On each day in the afternoon, the eminent experts discuss about recent trends in their respective research domains in **half-day workshops**.

INVITATION: GTU cordially invites researchers, faculty members and students of pharmacy from Pharmacy colleges as well as any other person interested in pharmaceutical research to attend the workshops planned on a daily basis from 3:00 PM to 5:00 PM. There is no registration Fee. The list of Experts and their topics are given on the next page. The list of workshops is also available on our GTU web site. <http://www.gtu.ac.in/ITD.asp>. (It is possible that some more workshops may be added. Please continue to see the web-site for an updated list of workshops.)
