

# CEOs in the Classroom

## A Dialogue to foster Innovation & Growth

*As we look ahead into the next century, leaders will be those who empower others.*

—Bill Gates

PG Research Centre for Governance Systems Gujarat Technological University (GTU) & Global Talent Track (GTT) announce a Seminar - **CEOs in the classroom**. The seminar is a unique opportunity to interact with a high powered panel comprising of industry leaders well known for their thought leadership and innovative ideas for growth and transformation. The seminar is designed to give you the opportunity to understand about the emerging industry trends and expectations from the academia to support Innovation and Growth. It aims to provide action-based learning experiences that foster leadership development by allowing students and faculty to act, build, reinvent, and interact with experienced leaders across a wide span of industries and prepare for the future.
