

GUJARAT TECHNOLOGICAL UNIVERSITY
&
BAJA SAEINDIA

Inviting to all Principal/Directors/HOD's of Mechanical/Automobile Engineering for the

Inauguration of Virtual BAJA SAEINDIA2015

Venue: B-0 Hall, GTU, Chandkheda, Ahmedabad: Time: 10:00 am

Gujarat Technological University has been trying through a number of innovative programs and initiatives, to significantly improve the quality of graduates/diploma holders that it offers to the industry and society.

In order to develop more intense interaction of academia and industries, Gujarat Technological University signed a Memorandum of Understanding with Mahindra & Mahindra Ltd promoted BAJA SAEINDIA, a professional Society of Automotive Engineers. As a part of MoU signed, GTU will host the virtual rounds of the eight edition of BAJA SAEINDIA 2015 in Ahmedabad. The event is schedule to take place on 1st and 2nd August 2014 wherein more than 1500 participants from the 320 participating colleges from across the country will present designs of the buggy vehicle they plan to create for the finale in February 2015.

GTU and the BAJA SAEINDIA aims to provide an opportunity for young, enthusiastic and talented engineering students, to showcase their passion for automobiles while encouraging them to conceive, design and fabricate 4-wheeled single-seater all terrain vehicles.

GTU is working towards providing all necessary exposure to our students which can make them industry ready. It is therefore important that as a head of institute you participate in the inauguration of the national level competition Virtual BAJA SAEINDIA at 10:00 am on 1st August, 2014 at GTU, Chandkheda, Ahmedabad and interact with invited judges and students from all across India.
