&

Global Talent Track

Jointly organizes

CEOs in the Classroom

A Dialogue to foster Innovation & Growth

Live broadcasting of GTU GTT seminar on CEOs in the Classroom
[<http://14.139.122.69/instinfo/livetv.jsp>]

We are pleased to inform you about the forthcoming event that would bring industry leaders into our campus – **CEOs in the Classroom**. The event being organized by the PG Research Centre for Governance Systems, Gujarat Technological University (GTU), in association with Global Talent Track (GTT) brings you a unique opportunity to interact with a high powered panel comprising of industry leaders well known for their thought leadership and innovative ideas for growth and transformation.

The seminar is designed to give you the opportunity to get an understanding about the emerging industry trends and expectations from the academia to support the industry's quest for Innovation and growth. It aims to provide action-based learning experiences that foster leadership development by allowing students and faculty to

act, build, reinvent, and interact with experienced leaders across a wide span of industries and prepare for the future.

Live broadcasting of this conference is available on:
