

## **Faculty Secondment Programme**

Gujarat Technological University can nominate the faculties, who can competently teach specific courses as mentioned in Annexure -1 at Asian Institute of Technology , Bangkok for one semester. The last date for the nominations is 18<sup>th</sup> July 2014.

Please send the applications to the Registrar on or before 17<sup>th</sup> July 2014. The application should be complete and should have an NOC from your College. It should also contain information about your record of work, which shows that you would be able to teach the course or courses, which you select, competently. It is an all-India competition and our faculty can be selected only if they are found to be competent, on the basis of the record that you submit along with your application.
