GUJARAT TECHNOLOGICAL UNIVERSITY

Community Innovation & Co-Creation Centre

"CiC3"

INVITATION TO JOIN CiC3

To build capacity in the students and to support innovation, GTU has established a Community Innovation & Co-Creation Centre (C-i-C3) at Gujarat Technology University, Room No: 128, ACPC Building, L.D. Engineering College Campus, Navrangpura, Ahmedabad.

CiC3 aims to foster innovation, research and entrepreneurship among students. This is the perfect platform for all hackers/makers/developers/students to showcase their skills, ideas, passion and connect with the visionaries, industry experts who can mentor you and help transform your ideas/projects into realities.

CiC3 will provide facilities for really innovative and research based idea with the necessary resources and mentorship and to help the student build that idea into a reality.

The primary objective of the centre will be:

➢ Inculcating design thinking and foster/promote the open source hardware/software Community in Gujarat.
➢ Provide students with the latest open source hardware boards and modules which are in par with the industry standards.
➢ Assist students to create innovative and creative projects that solve real world problems.
➢ Conduct local events like Hackathon/Workshop etc. to provide students a platform for showcasing their talents

Fee Structure: GTU students are free to use any resources of Lab. No membership fee for them at this time. For students other than GTU collages have to pay nominal fee of INR 300/month. Hobbyist/ Industrialist/ Makers / Pass outs have to pay fee of INR 600/month.
