

Gujarat Technological University

Organizes

2nd One Day Workshop for

Faculty Development Programme (FDP) on

“Patent Drafting Exercise (PDE)”

For Engineering Faculties of GTU

on 08.03.2014, Saturday

ABOUT THE PROGRAMME

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU has successfully organized more than 25 faculty workshops and 10 student workshops on various themes viz. “Patenting in Engineering”, “Patenting in Pharmaceuticals” and “Patent Search Methodology” at different zones of GTU since September 2011 to till February 2014. In this process nearly **3000 faculty members** and **3000 students** have been trained and made aware about the basics of IPR and Patent in particular. Due to these efforts, within this time period **220 Patents have been filed** by GTU affiliated college students and faculty of Engineering and Pharmacy discipline. This number is higher than any IIT of our country for the same period. The credit goes to the students, faculty and all the stakeholders of research and innovation, who have actively engaged in the promotion of IPR.

GTU has introduced **“Patent Search & Analysis Report (PSAR)”** as a part of syllabus for all BE (Sem VII) students in September 2013. As a result of this, now students learnt that whether their IDP/UDP projects are novel/ patentable or not. Now in the current BE (Sem VIII) semester, students have to undertake **“Patent Drafting Exercise (PDE)”** as a part of their project work. Therefore this workshop is designed, where in all those faculty members will be trained about this new initiative, who have undergone training of PSAR in the last semester. So that they can train the students of their respective colleges. First such workshop was successfully completed on **15th February 2014, Saturday** at Ahmadabad where in more than 70 faculty from various institutes have been trained. All the participated faculties have appreciated this new initiative of GTU. In line to this GTU further plan to organize 2nd FDP on PDE for the faculties who could not participate during first session. This time GTU asks all colleges to send at least one faculty from each department to get participate in this 2nd FDP.

OBJECTIVES

- To provide an Overview of Patent Drafting Exercise (PDE)
- To provide an overview of online portal to be created for submitting PDE report
- Case study based discussion about how to draft Provisional Patent Application

RESOURCE PERSONS

Techno-legal Experts from Industry and Academia will be invited.

PARTICIPANT'S ELIGIBILITY

- Engineering Faculty members from GTU affiliated Engineering colleges.
- Preference will be given to those faculty members, who have undergone PSAR training
- Seats are limited for 100 participants only on first come first serve basis

TRAVEL AND ACCOMMODATION

Participating faculty have to make necessary arrangement for their travel and accommodation and TA/DA will not be provided.
