Spoken Tutorial Workshop on JAVA

Valia Institute of Technology, Valia had organized workshop on Java under OSTC for 4th year 8th sem computer engineering students on 5th march 2014, Thursday. 30 students had participated in java workshop. Since java is a free and open source, high level, simple as well as Object Oriented Programming Language, the information gained by our students is useful for further technical aspects. In this workshop students learned Java eclipse installation for window as well linux, solved assignment and tutorial also.

The following table shows the details of the workshop:

Workshop Code	FOSS Category	Academic Center Code	Date & Time	Organizer
WC-8077	Java	GUJ-00386	5th March 2014 1p.m.to3p.m.	Mrs. Anuradha Imdapur Mrs. Rupali Attarde

Spoken Tutorial Workshop on Scilab

Workshop on Scilab for 3th year 6th sem Mechanical engineering students was organized on 7th march 2014, Friday. 35 students were participated in Scilab workshop. Since scilab is useful for mathematical and scientific calculation, open source is substitute for MATLAB. The information gained by our students is useful for further technical aspects .In this workshop, students learned Scilab assignments, Tutorials and performed practically also.

The following table shows the details of the workshop:

Workshop Code	FOSS Category	Academic Center Code	Date & Time	Organizer
WC-8074	Scilab	GUJ-00386	7th March 2014 3:10 p.m. to 5:10 p.m.	Mrs.Anuradha Imdapur Mrs.Rupali Attarde

Spoken Tutorial Workshop Report on C/C++

Workshop on C and C++ for 3rd year 6th sem Electronics and Communication Engineering students was organized on 10th march 2014, Monday. 28 students were participated in C and C++ workshop. Since Powerful features, simple syntax, and portability make C a preferred language among programmers, for business and industrial applications. Widely used in the development of operating systems. The information gained by our students is useful for further technical aspects. In workshop, students learned about C and C++ features, assignments and tutorial team.

The following table shows the details of the workshop:

Workshop Code	FOSS Category	Academic Center Code	Date & Time	Organizer
WC-8078	C and C++	GUJ-00386	10 th March 2014 2 p.m. to 4p.m	Mrs.Anuradha Imdapur Mrs.Rupali Attarde

We are thankful to our director Mr.P.K.Chaini, GTU, Spoken Tutorial Team IITB for providing fruitful knowledge to our students.
