We have already online portal for BE and Diploma projects under Innovation Council Cell - <http://projects.gtuinnovationcouncil.ac.in/login.aspx> , through college wise User Login and Password facility. This data base can be useful to future students for refereeing the past year projects and getting information for the work done by their senior students. While the same for other courses are in Pipeline.

For B.Pharm, M.Pharm, ME, ME -GTU PG SCHOOL, MBA, MCA, we have created entry form on ADMIN portal, which colleges can do entry through with the help of their Admin user name and password. Following is the Link for the same. **Admin Portal-Other-Students Project 2014-15.**

Here colleges need to have plagiarism certificate attached with the individual student's project report for making ensure that data has not been copied from the other sources.

The purpose of uploading data on e-Library is to enable students getting knowledge of their respective project field and can enhance their work.
