Subject: Invitation to Join GTU community on Cyber Security

Gujarat Technological University is developing e-Raksha Research Centre under post graduate Research Centre in cyber. To establish this Research Centre GTU has invited advisor from concerned industry, cyber security agency working in this area. An advisory committee for the development of this center has been formed and first meeting of all advisory committee members of **e-Raksha Research Centre** was held on 27th January-2014.

We are making an effort to involve the GTU community in the process. Hence we invite Faculty members, Researchers and Students working in area of Cyber Security to brain storming meeting on 17th April-2015. In this meeting we shall focus on following activities.

- About Indigenous OS & software development
- How to develop Indigenous network security equipment?
- How to realize Hardware Security?
- Software and Hardware Certification
- Use of Vulnerability Assessment
- Application Development Using Big Data for cyber security
- Big Data Storage, Analytics & visualization in cyber security

Person interested in becoming part of above research group may register themselves at the following link before: - 16th April-2015
