## **ABOUT THE PROGRAMME:**

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU has successfully organized 53 faculty workshops and 12 student workshops on various themes related to Intellectual Property Rights and patenting. The workshops, named as “*Patenting in Engineering*”, “*Patenting in Pharmaceuticals*” and “*Patent Search Methodology*” etc were organized in all the zones of GTU since 3<sup>rd</sup> September 2011. In this process more than **4650** Faculty Members and a large number of students have been made aware about the basics of IPR and patenting process. Due to these efforts, within 3 years’ time period more than **307 preliminary applications for patents** have been filed by Final Year students of various Engineering and Pharmacy Colleges, affiliated with GTU.

Intellectual property (IP) is a right which refers to an exclusive ownership on a variety of intangible assets, such as designs, symbol, write up, inventions, etc. recognized under the Intellectual Property Rights (IPR) law. The technical inventions can be protected by means of Patents. The legal rights of a patent is provided to the person(s)/ organization(s) whose name(s) is/ are mentioned as the applicant(s) in the application for filing of patent. Hence it is necessary that before filing for patents, stakeholders should understand rights and privileges available under the Patent Act. To assist in this process GTU has stated framing IPR policy, which will take care about interest of all stakeholders like students, Faculty Members and Colleges/ Institutes.

To discuss and work out the policy, GTU is organizing one day National conference on “**Framing of IPR Policy for Affiliating-type Universities**” on the eve “**World IP Day**” that is on Sunday, 26<sup>th</sup> April 2015 at GTU, Chandkheda Campus, Ahmedabad.

## **OBJECTIVES:**

- ❖ To present the work done by GTU Faculty Members and affiliated colleges in the field of IPR
- ❖ To learn from and to understand IPR Ecosystem developed by reputed academic institutes of the country
- ❖ To understand the role of Policy Makers at Central Government level
- ❖ To work out the policies for IPR and the process of Technology Transfer

## **PARTICIPANTS**

Deans, Principals, Faculty Members and students (of UG /PG/ PhD from any discipline) from GTU affiliated Engineering or Pharmacy colleges.

**(Seats are limited for 100 participants only, on first come first serve basis)**

- **As this program is meant to discuss policy issues, it is advisable that students/ Faculty Members, who have filed their patents and would like to contribute in development of policy should participate.**

## **TRAVEL AND ACCOMMODATION**

Participating faculties/students have to make necessary arrangement for their travel and accommodation and TA/DA will not be provided.

## **REGISTRATION FEE**

**Registration is Free for Faculty Members & students** from Colleges/ Institutes affiliated with GTU.

## **HOW TO REGISTER?**

Please register online using the following link on or before Friday, 24<sup>th</sup> April 2015.
