As the open source technologies emerging out popularly, GTU has taken initiative to Establish an *Open Source Technology Club* for all affiliated colleges. In such direction, to create awareness about open source technologies and share knowledge about open source tools, **we have established Open Source Technology Club (OSTC) at our Institute, on 23rd March, 2015.**

To inaugurate OSTC, we invited Dr. Baba Pai, Professor Emeritus & Director of ITM Universe. As a part of inaugural function, guest lecture on “Open Source Technology – Scopes and Opportunities” was organized. The function started with a introduction to Spoken Tutorial and followed by brief speeches of Dr. Dr. Baba Pai, and Dr. Sanjay K Vij, Dean Academics ITM Universe. It was attended by all the 2nd year Computer Science Engineering students (150) and all the staff of Computer Science Department.

The talks by the Dignitaries covered the following points:

- Meaning of open source
- Success of open source technologies
- Importance of Certification programs and its awareness.

Then the videos of spoken tutorial were played. In this session we had trained the students on LIBRE – OFFICE WRITER. This was followed by Vote of Thanks by Mr.Pradeep Laxkar,HOD CSE.

Message by Honorable Director

A total of 100 students of 1st year have already registered and are being trained in C language through Spoken tutorials. In future, we are planning to organize workshops on Open Source Technologies for all the students and in all departments.
