

**PATENT DRAFTING EXERCISE (PDE) BE (Sem. VIII) 2014-2015**

**COLLEGE-WISE COMPLETE LIST OF FACULTY MEMBERS,**

who participated in FDPs on Patent Drafting Exercise (PDE) and  
**who should be able to help the students with advice and guidance.**

As a part of BE semester VIII students project work, GTU has introduced “**Patent Drafting Exercise (PDE)**” since 2013-14. (Please see the circular at <http://www.gtu.ac.in/15042014/PDE%20Guideline%20for%20Sem%20VIII%20%202013-2014.pdf>)

Under PDE, the students learn about provisional patent filing procedure in India, its requirements, necessary forms, fees, associated time limit etc. This is in continuation of the “**Patent Search & Analysis Report (PSAR)**”, which was prepared by all the students during semester VII of BE. PSAR was introduced to make students aware about patents, patent information websites, patent search, patent documents etc. in the area of their final year project. Appendix 2 on page 30 re-states the objectives of PDE.

**HELP FROM FACULTY MEMBERS:** To support this activity GTU has organized several Faculty Development Programs (FDPs). Faculty Members from many engineering colleges participated in these FDPs. We expect that Final Year BE students will be able to obtain help and guidance from these Faculty Members about PDE.

To support the PDE activity, GTU had organized several sessions of Faculty development programs during two years at various locations, through these programs, large number of faculty have been trained from various colleges. Appendix 1 (Pages 2-30) gives the compiled list of all such faculty members from all colleges who ever had participated in to any of such FDP sessions. Students can get help for PDE report generation from these trained faculty members.

**VIDEO TRAINING MATERIAL:** GTU has also recorded the expert’s video sessions to support PDE activity, and all such video sessions were uploaded on YouTube at the following URLs:

## APPENDIX 2: OBJECTIVES of Patent Drafting Exercise (PDE)

From <http://www.gtu.ac.in/15042014/PDE%20Guideline%20for%20Sem%20VIII%20%202013-2014.pdf> :

- To train all students about provisional patent filing procedure in India
- To make all students familiar with Patent filing forms (Form- 1, 2 & 3)
- To make students aware about the various requirements/data to be provided for filling of such forms.
- To teach students about various patent filing forms, fees and time limit associated with various operations associated in patent filing procedure in India.
