PROJECTS, LET'S MAKE IT!

AN EVENT TO EXPLORE; WHAT, HOW & WHERE ABOUT FINAL YEAR PROJECTS

As final year students of GTU, one needs to go through a process that continues for two semesters, this is covered under the subjects Projects-1(Sem 7) and Projects-2(Sem 8). There are so many possibilities of utilizing the knowledge acquired during learning engineering and design or develop something that can help society, at the same time this process will help student to develop his/her carrier in the technical field.

But when the student enters in the 7th Semester, it will really be a great challenge to decide about the projects and start working upon. To help the new entrants in the final year, GTU is organizing a one day Mega Event named "Projects, Let's Make it, An event to explore; What, How & Where about Final Year Projects."

All the new entrants of GTU Sem 7 from EC, Electrical, IC, Biomedical, ETC and EEE students can participate by applying through the online registration link provided.

Event Highlights.

1. Introduction to Projects as a part of GTU Curriculum
2. Projects Possibilities as an Under Graduate Student
3. Electronics Product Development Cycle
4. Boost your developments using Open Source Development Boards
5. Arduino Boards
6. Raspberry-Pi
7. Beagle Boards
8. Other Industry Sponsored sessions on AVR/PIC/MSP or others
9. Time Plan your Projects - Gantt chart

Interested Engineering Students can participate in Workshop, Fees: No fees for Students.

Date: 17/06/2015, Session 1: 9:30 a.m to 1:00 p.m , Session 2: 2:00 p.m to 5:30 p.m

Venue: B - 0 (Conference Hall), Gujarat Technological University,

Nr. Visat Three Roads, Chandkheda, Ahmedabad

To register: <http://goo.gl/forms/EToBo9VjDU>

Limited seats are available. Last Time & Date for registration: 12:00 p.m. 15-06-2015

Selected students will get confirmation for Workshop by email by 12 p.m. on 16-06-2015.
