

Gujarat Technological University

Organizes

7th Session of One Day

Faculty Development Programme (FDP) on

“Patent Drafting Exercise (PDE)”

For Engineering Faculties of GTU

on 07.03.2015 - Saturday

ABOUT THE PROGRAMME

Under the visionary leadership of **Honb. Dr. Akshai K. Aggarwal**, Vice chancellor, GTU has successfully organized more than 53 faculty workshops and 12 student workshops on various themes viz. “Patenting in Engineering”, “Patenting in Pharmaceuticals” and “Patent Search Methodology” at different zone of GTU since September 2011 to till February 2015. In this process nearly **4565 faculty members** and large number of students have been trained and make aware about the basics of IPR and Patent in particular. Due to these efforts, within this time period **301 Patents have been filed** by GTU affiliated college students and faculty of Engineering and Pharmacy discipline.

GTU has introduced **“Patent Search & Analysis Report (PSAR)”** as a part of syllabus for all BE (Sem VII) students in September 2013. As a result of this, now students learnt that whether their IDP/UDP projects are novel/ patentable or not. Now in the current BE (Sem VIII) semester, student have to undertake **“Patent Drafting Exercise (PDE)”** as a part of their project work. Therefore this workshop is designed, where in all those faculty members will be trained about this new initiative, who have undergone training of PSAR in the last semester. So that they can train the students of their respective colleges. Six such workshops were successfully completed in the previous academic year, wherein more than 350 faculties from various institutes have been trained. All the participated faculties have accepted and appreciated this new initiative of GTU. In line to this GTU further plans a 7th FDP on PDE for the faculty who could not participated during earlier sessions. This time GTU asks all colleges to send at least one faculty from each department to get participate in this FDP, who had not participated earlier.

OBJECTIVES

- To provide an Overview of Patent Drafting Exercise (PDE) to faculties as PDE is a compulsory part of project work of BE (Sem 8) students
- To provide an overview of online portal to be created for submitting PDE report
- Case study based discussion about how to draft Provisional Patent Application

RESOURCE PERSONS

Techno-legal Experts from Industry and Academia will be invited.

PARTICIPANT'S ELIGIBILITY

- Engineering Faculty members from GTU affiliated Engineering colleges.
- Preference will be given to those faculty members, who have undergone PSAR training
- Seats are limited for 100 participants only on first come first serve basis
