

Introduction to a Green Economy: Concepts and Applications

20 April – 12 June 2015

A new e-Learning course by

Partnership for Action on Green Economy

set up by

United Nations Environment Programme

(<http://www.unep.org/greeneconomy/page>)

You can register for the course online by 31st March 2015.

Some fellowships are available for civil servants and NGOs. Our research students and Faculty Members can try to get the fellowship, if possible.

Please see for details:
