## Preface

Under the visionary leadership of Honb. Dr. Akshai K. Aggarwal, Vice chancellor, GTU Innovation Council (GIC) had started its mission for IP literacy on 3<sup>rd</sup> September 2011. Under this journey GTU Innovation council had launched Patent Search and Analysis Report (PSAR) activity in September 2013 (In academic year 2013-14), with an objective to increase awareness regarding patents among students by making them familiarity with patent websites & patent documents. In this activity each student of 7<sup>th</sup> Semester B.E. was asked to study at least 5 patents related to his/her project and have to prepare Patent Search and Analysis Report (PSAR) via specially developed web portal by GTU.

During academic year 2013-14, via this activity more than 35000 students have studied more than 178,000 patents in a period of four months. Following the glorious progress of last year, in current academic year (2014-15) also a hard work of more than 42000 students and faculty from all GTU affiliated B.E. colleges across the state leads to generation of more than 185,000 PSAR reports. This ultimately leads to significant rise in IP literacy among our students and faculty.

GTU is further planning to develop proper review system of all such generated PSAR reports from all colleges. Where by GTU, in association with all faculty aiming to motivate all students for giving more innovative ideas for incremental innovations related to each of the studied patents. Through this system potential ideas will be extracted from all such PSAR reports, which can be further taken as innovative projects by subsequent batch of students.

This report presents the detailed analysis of efforts made by students from various departments of all degree engineering colleges affiliated to Gujarat Technological University (GTU) in PSAR (Patent Search and Analysis Report) activity during academic year 2014-15. This report is made based on PSAR data collected as of 27<sup>th</sup> January 2015. By now nearly 210,000 PSAR reports have been submitted by all students of BE through an online web platform at GTU.

This report represents the:

1. Branch wise total number of submitted PSAR reports
2. College ranking based on the performance of all students in PSAR activity.
3. Performance analysis of departments at all colleges in PSAR activity
4. Department wise performance ranking from various colleges for PSAR activity

For those students who have still not finished the PSAR activity, have not uploaded the project report or have not uploaded the canvas reports uploading, can still finish them at following link: <http://psar.gtu.ac.in/>

**Note:** All entries are based on the order of college codes. In case of any college department, where are less than ten students registered for PSAR and other activities, no rank is assigned to such departments, instead \* is mentioned.

For compilation of this report, team of GTU Innovation Council have taken enough measures to avoid any errors, even in case of any observed discrepancies we request you to shares your observations to Mr. Amit Patel, Assistant Professor (IPR/Patents) at: [ipr\\_projectofficer@gtu.edu.in](mailto:ipr_projectofficer@gtu.edu.in)
