Date: 20th February 2015

Circular

All the Directors and Principals of the institutes offering M.E. course/s are informed to follow below mention guidelines for offering open electives in M.E. semester II.

1. If the institute is offering only one M.E. course, the open elective can be offered from any specialization of B.E. branches offered at the institute provided the faculty members teaching the course must be GTU-endorsed with minimum of two years of experience.

Example: If institute is offering only one M.E. course in Civil (Structure Engineering) and institute offers B.E. in Mechanical Engineering, the institute can offer any of the open electives offered by various specializations of ME Mechanical Engineering.

2. If the institute is offering more than one M.E. courses, open electives can be offered from any of the other M.E. courses, provided that the subject is not offered as compulsory/elective/open elective course by that M.E. course.

Example: If institute is offering M.E. in Mechanical (Thermal Engineering), Mechanical (IC Engines and Automobile Engineering) and Civil (Structure Engineering), the open elective of Thermal Engineering cannot be offered to the students of IC Engines and Automobile Engineering as they are the same. However open elective of Structure engineering can be offered to the students of Thermal Engineering and IC Engines and Automobile Engineering.

3. If the institute is offering more than one M.E. courses, open elective can also be offered from any specialization of B.E. branches offered at the institute provided the faculty members teaching course must be GTU-endorsed with minimum of two years of experience.

The above circular is issued as per the approval of Hon'ble Vice Chancellor on submission of Academic Department dated 30th January 2015.
