

GTU INNOVATION COUNCIL

Innovation Sankuls at Vatva, Naroda and Gandhinagar make joint efforts to link each of their pre-final year student to an industry for scouting for IDPs

A series of meetings were held involving all principals/directors of each of the 3 Sankul chaired by Honorable VC, GTU and the corresponding Co-chairmen-Academia at GTU. **Prof M. N.Patel**, Co-Chair-Academia (Vatva Sankul), **Prof M. R. Patel**, Co-Chair-Academia (Naroda Sankul) and **Prof. J.V.Dave** , Co-Chair-Academia (Gandhinagar Sankul) arranged meetings at GTU and shared their action strategies to ensure each pre-final year student to be linked to an Industry in this summer. Directors for Engineering, MBA, MCA, Pharmacy and Diploma eng have been nominated for each of the Sankuls for better functioning of the Sankul keeping each vertical in loop. Prof J. V. Dave and Prof M.R.Patel have segregated the work among each college according to the branches. A handful of industry leaders participated in the meetings from each of the Sankul and assured their full cooperation to the cause. **Mr. Archish Shah**, President Vatva GIDC has extended his invitation to all colleges to his GIDC as it has got a large number of industries in many disciplines. Similarly **Mr. Shailesh Patwari**, President Naroda Industry Association has nominated 20 industry people from diversified backgrounds to ensure that each of the pre final year student in the Sankul get linked to an Industry. **Prof M. I. Vyas** of LDCE has been assigned the task of linking activities to Vatva industrial Zones by Prof M.N.Patel.

The above 3 Sankuls have banked upon the huge response and cooperation from students. It was decided to involve HODs at Colleges and other academic experts, young faculty members of each college, corresponding Udisha coordinators/student members for linking each of the pre-final year students to locate a live industrial issue which the student will convert into his/her final year project work. **Prof Rupesh Vasani**, Director (Eng) of Naroda Sankul has been assigned the task of linking the civil eng students of the Sankuls with industry members of GICEA. GICEA has offered to link each of the students under its discipline to its member units across the state. **Mr. Dhaval Patel** from Vatva Industry Association (VIA) has been assigned the task to map the students and industries under the Sankul.
