

GTU INNOVATION COUNCIL

Congratulations to GTU Innovation Sankul -Junagadh for starting allocation of students to industries so that the pre-Final Year students can work out the Industry Defined Problems (IDP) during the months of June and July

GTU Innovation Council has created an Innovation Sankul in and around Junagadh consisting of 23 GTU colleges. This Sankul has successfully congregated the team from both industry and academia. GTU Innovation Council has nominated the following authorities as Co-chairmen for the Sankul:

Co-Chairman (Academia)	Dr. Ved Vyas Dwivedi, Director & Principal Noble Engineering College, Junagadh
Co-Chairman (Industry)	Mr. Shashi Thanki Chairman and President, Austin Engineering Co. Pvt. Ltd.

As per directives of the honorable VC Dr Akshai Aggarwal, a meeting of the UDISHA Clubs under the GTU Innovation Sankul- Junagadh was held at Noble Group of Institutions, Junagadh on May. 11, 2011 at 02:30 under the guidance of Dr. Ved Vyas Dwivedi (Academic Co-chairman of Junagadh Sankul).

The representatives of different colleges including degree/diploma engineering, pharmacy, MBA colleges from Junagadh district discussed many topics related to UDISHA Club activities.

1. Each college will submit the hierarchy of the committee members working in their UDISHA CLUB by May 12, 2010, 5.00 pm.
2. Each college is going to make a list of industry persons who will help their students to improve their practical aspects.
3. The students of 2nd & 4th semester (degree engineering) will be divided into groups of 20-25 each. One faculty member will be allocated to each group for their supervision.
4. The students of 6th semester (degree engineering) are individually (or in a group of two/three) going to have training of approximately 1 month after completion of their 6th semester final exam. They will be monitored by one of the faculty members from the department.
5. The students are provided an NOC from their respective colleges for industrial training.
6. The students of 2nd semester MBA are having compulsory summer training after completion of their 2nd semester final exam.
7. All the students will submit their training report after Industrial Shodh Yatras.

GTU INNOVATION COUNCIL

8. The presentation session will be conducted in the next semester to share their knowledge with their classmates.
9. The students will take snaps of their training session if permitted and will submit the same to their department.
10. The Pharmacy will plan for their students for summer training.
11. MCA institutions will prepare the same what has been discussed in the agenda.
12. The list of participating colleges is attached.
13. A sample NOC was distributed to these institutions.
14. Also a sample copy (roughly prepared) of report was given to all representatives.
15. All the students of semesters VI, IV and II to be informed/addressed in person especially during GTU exams about the objectives of this Sankul.
16. They should be assigned with internal guides / supervisors for the visits, projects, training and interaction in groups of 20-25 (Sem. II, IV) and 1-3 (Sem. VI).

The Innovation Sankul has started allocating students to industries so that the pre-Final Year students can work out the Industry Defined Problems (IDP) during the months of June and July.
