OUTSTANDING PROJECTS at GTU

Invitation to students and faculty members

for

including your project in the List of Outstanding Projects

A Final Year Engineering project (based upon IDPs/UDPs) may have benefited MSMEs and other users. Or the industry may have informed the students and faculties that it has a significant innovation potential.

A project of a **M. Pharma** student or an **ME** student may be useful to industries/ society.

Or it may be breaking some new ground.

Or you may have filed for a Patent for your project.

Such a project can be included in the *List of Outstanding Projects*. Your success stories will be shared with the next class of students in all Sankuls to inspire them.

Please share the information, along with pictures of your innovation/ team online at <https://docs.google.com/spreadsheet/viewform?formkey=dGp0emJnUXIFU29tdjd5Zmo5RTNZbWc6MQ>.

Or you may send the information through e- mail at gic2@gtu.edu.in .

Note: Either the students or the faculty members, guiding the project, can send the information.
