

## GTU INNOVATION COUNCIL

([www.gtuinnovationcouncil.ac.in](http://www.gtuinnovationcouncil.ac.in))

**Industries offer awards worth 25 lac and employment for developing innovative solutions as per the requirement of the industries/ IDPs .**

A college-level Techno Fest “Vijayant-12” was organized at L.E. College, Morbi, on 2<sup>nd</sup> and 3<sup>rd</sup> April, 2012, under the banner of newly established **Center for Creativity (CoC)**. **Mr. Dhirubhai Suvagiya**, an Alumni (and faculty in Civil Engineering, in past) of the institute, **Chairman & M.D. at Falcon Pumps, Rajkot** was invited as a chief guest at the inauguration of the event.

**Prof. PC Vasani, Principal**, briefed Mr. Suvagiya about innovative projects and practices running round the year at the institute, and the progress observed through nominations at GTU Gandhian award and other GTU endeavors. **Mr. Suvagiya** described an Industry-defined Problem of his own company, Falcon pumps, and invited young inventors from L.E. College, Morbi to develop a design of pump which would overcome the design constraints for different parameters for the required output at present, and enhance the pump efficiency to the requirement of the company, and the head improvement. He invited innovative minds from the institute to visit his organization. *He also offered a huge prize of Rs. 25, 00,000/- and employment in the company, for developing a solution as per the requirement of the company.*

**Mr. Suvagiya**, CMD of Falcon Pumps, Rajkot, detailing the innovative project at his company

Students were greatly motivated by such a challenge offered to them, and **Prof. Vasani, Principal**, offered necessary facilitations to ensure that students from the institute take up the project, and showcase their innovative skills. **Prof. K.F. Bhetariya, Chairman** of the **Center for Creativity** encouraged young and budding engineers to prove their worth by
