

GTU INNOVATION COUNCIL

Congratulations to Naroda Innovation Sankul for completing formation of its Sankul Committee involving Co-Chairmen, Directors and Industry counterparts of various Sectors.

Naroda Innovation Sankul has geared up in setting up the complete architecture of corresponding colleges and GIDC clusters with excellent cooperation from President Naroda Industry Association. This Sankul have finished half a dozen industrial Shodh Yatras and located around 50 industry defined projects by now. The faculties of the colleges have helped the students in modularizing the problems and accompanying them in Industrial Shodh Yatras for enabling the students to have a greater visibility and practical aspects of floor MSMEs. The Industrial Shodh Yatras have been lead by Prof Uday Trivedi, Prof M.G.Desai and others from various branches. The Service sector of industries has been brought into the loop for MBA and associated streams.

Co-Chairman (Academia): Prof. M R Patel, Principal, Vishwakarma Govt. Engg. College, Chandkheda, A'bad

Co-Chairman (Industry) : Mr. Shailesh Patwari, P resident, Naroda Industries Assn., A'bad
--

The Naroda Industries Association (NIA) hosed a dinner for all the college principals of the Vatva and Naroda Sankuls at the Paryavaran Mandir, Naroda on 28/4/2011. The meeting was chaired by **Shri Shaileshbhai Patwari**, President, NIA and Co-Chair (Industry) for the Naroda Sankul. The 'Shodhyatras' carried out, by the professors and students at Naroda had proved to be hugely successful. Both the industries and the academia realised that the interaction between the industries and industries through the Sankuls should be promoted further.

GTU Innovation Council has nominated the following Directors in their respective fields in Naroda Innovation Sankul.

Shri Shaileshbhai Patwari, President, NIA and Co-Chair (Industry) for the Naroda Sankul has provided excellent support to each Industrial Shodh Yatra and has hosted periodic meetings with Principals and students. He has nominated members from various industry domains for smooth functioning of the Innovation Sankul and has assured all cooperation for the excellent

GTU INNOVATION COUNCIL

cause. Naroda Industry Association and its members have shown extra ordinary support to GTU students and faculties from the very beginning. For the Shodh Yatra led by Prof Uday Trivedi and Mr. Hiranmay Mahanta in February 2011, NIA provided all possible infrastructure support.

The Principals and Directors jointly are working out an action agenda by this week end. The Innovation Sankul is allocating specific faculty to specific group of students very soon so that proper mentoring can be provided to all the students at all the stages of work starting from scouting floor issues and developing them as part of the Final year project during the academic year 2011-12. It is expected that dedicated sector specific groups of faculties will come forward to design and execute the local policies relevant to the MSMEs/Colleges of particular Sankul.

Completing formation of the Naroda Innovation Sankul committee:

The nomination of the five Directors for each of the disciplines of MCA, MBA, Pharmacy, Degree Engineering and Diploma Engineering (Appendix 1) was completed on 12th May 2011.

The 5th Meeting of Naroda Innovation Sankul for Director Nomination is being addressed by Prof. Akshai Aggarwal, VC, GTU

The nomination of industry leaders (Appendix 2) to the Sankul Committee has completed the formation of the Sankul Committee.

GTU INNOVATION COUNCIL

Mr. Sailesh Patwari has offered the infrastructure and human resources of NIA for use by the Sankul. He has also nominated 17 persons from industries of various disciplines who would be members of the Sankul Committee. He has requested all the Principals to motivate students and faculties to visit the industries and document their observations. He narrated a few successful cases in dinner meeting hosted on behalf of Naroda Industry Association wherein waste was converted into useful raw material for producing energy and economy.

“We believe that workers and engineers from our industries can help evaluate the problem statements / industry defined problems as desired by GTU. A vibrant linkage between each stake holder of GTU Innovation Council including students, faculties, Industries and Sankul authorities can certainly improve both the products and processes of MSMEs and business units.”

Shri Shaileshbhai Patwari,

President, NIA and Co-Chair (Industry) for the Naroda Innovation Sankul
