**Udisha Coordinators from 25 Innovation Sankuls participated and shared their efforts and strategies ahead for developing innovation culture at each Innovation Sankul and college**

*Gandhi Labour Institute, Ahmedabad*

05-05-2012

GTU Innovation council brought together all the Innovation club heads/Udisha Club coordinators , industry chamber authorities from various GIDCs, GCCI, Innovators together at Gandhi labor institute on 5th may 2012 to discuss and design a roadmap for innovation in coming academic year . Honorable VC GTU, Prof Akshai Aggrawal chaired the session and shared his views and inputs to further strengthen the innovation movement at GTU. He briefed about the progress, achievements and futuristic agenda which will transform the Innovation Ecosystem at GTU Innovation Sankuls as a unique model in quality and scale. He shared those efforts done by Udsiha clubs lead by students and faculty members from all the disciplines at every college. He envisaged that the movement created by GTU Innovation Council and Techpedia is unique effort made by any university in the world and all the Udsiha clubs have created path breaking efforts towards that. He highlighted that even polytechnic and other have shown great innovation capacity during last academic year. Co-chairman Industries, Gandhinagar Sankul, Mr. Haren Shah shared how Gandhinagar Sankul is modeling towards an innovation ecosystem by taking various parameters into considerations with the synchronized efforts of each of its Udsiha clubs. He shared that a benchmarking method based on efforts will accelerate the innovation drive at each udisha, Sankul level. Secretary General of GCCI, Gujarat Chamber of Commerce and Industries, Mr. Hingu ensured that their team will help in linking each Udsiha club to nearby GIDCs and MSME clusters in the state and extend all possible supports. He appreciated the one of its kind effort made by GTU Innovation Council and all Udsiha clubs which has created a culture of innovation in the state considering technology youth as catalyst. Mr Sailesh Patwari , Co-chair Industries , Naroda Innovation Sankul too shared his ideas and promised all possible support for forging linkages between MSMES, academia and innovation. He applauded the Udsiha clubs for their front running efforts for linking students in summer industrial shodh yatra and wished that by active participation of each Udsiha clubs in an Innovation Sankul progressive efficiency can be maintained in this endeavor. Prof P.C.Vasani , Co-chair Academic Morbi Innovation Sankul shared how the udisha clubs at Morbi Sankul have done transformational innovation by creating a innovation culture

# GTU INNOVATION COUNCIL

[www.gtuinnovationcouncil.ac.in](http://www.gtuinnovationcouncil.ac.in)

and ensured high success rate in each endeavor .Prof G.D.Acharya , Co-chair Academic, Bhavnagar innovation Sankul shared how small incentives by mentors have motivated students at his Sankul to develop innovative products and process even in Polytechnic level. He shared a thought to incentivize the young innovators in the phase of innovation development so that they can better design a prototype, concept or add value in existing ones. Both Co-chairs of Morbi and Bhavnagar Innovation Sankul shared that by joint efforts at Udsiha level their Sankuls have produced excellent outputs. The Co-chairs from industries and academia from all Sankuls who shared their efforts claimed that by combined efforts of each Udsiha clubs a new benchmark can be set for innovation at GTU Innovation Council.

A session was held by Deans lead by Prof D.J.Shah and Prof Sachin Parikh for discussing various policy issues and possibilities to support and further activate the efforts of each Udsiha clubs and shared that the Council of deans will do all possible efforts to galvanize the movement. Dr.D.J. Shah shared that all the basic protocols which have been designed for Sankuls and project curricula gives wider fidelity to add on to it so that it can be contextually suitable for particular college or Sankul. Mr. Hiranmay Mahanta, MD Techpedia.in moderated the whole day session along with Team GTU Innovation Council. Representatives from I-TAP, Integrated training and placement cell at GTU shared its action agenda where Udsiha can play critical role and Prof Pavan Dwivedi shared a talk on that. During the whole day FDP various stakeholders from industries, academia, Sankuls, Deans and I-TAP emphasized that each innovation club/udisha holds the nerve of this movement and hence appealed a co-creative effort by all to achieve landmark in this movement.

*The following Udsiha Coordinators participated in this 1 day session and shared their efforts and inputs to further strengthen the innovation activities.*

Mrs. Niki Jinny Ahtani	Shree Swaminarayan institute of technology
Prof Khyati M Raval	Chaudhari Technical Institute,Gandhinagar
Prof Amod Ramchandra Kolte	Parul institute of engineering and technology
Prof Viral Patel	Parul polytechnic institute
