Summer Training Program 2011 kept in abeyance

B.E (Mechanical Engineering) - VI Semester Students at Oklahoma University (OU), USA.

All of you know that the following facts

- 1. A few universities in the western part of India who had planned to send students for summer experience to US have faced the problem that the students are not being given the required VISA. Such VISA has been granted in the summer of 2010 and our US University partner has issued the required letter for every GTU Students. However GTU Students, as the students in other universities in western India have not been able to obtain the VISAs.
- 2. When GTU was informed about this issue, the GTU Officer visited US Consulate, Mumbai and he was given the following information.
 - (i) The J1 VISAs could be granted. But the process is lengthy and it could take no less than 8-12 weeks, hence the students cannot obtain VISAs in time for the summer program.
 - (ii) The GTU officer who has given the assurance that the GTU students who have applied for B1 VISAs would be able to use the VISA fee for a period of One Year from the date of submission of Visa Fee at HDFC Bank. Students can re-apply using the same paid fee to get B1/B2 or Students VISA.
- 3. The officer of Oklahoma University (OU) USA and Kansas State University (K-State), USA have written to the GTU officer that they would prepare a special certificate program for summer of 2012 for GTU Students who could not participate summer program 2011. If OU and KSU are able to find Professor for teaching the advance courses next year and if GTU Students are interested in a good number to participate in the program then this program can be offered in summer 2012.

Further, we have finalized Summer Training Program for B.E. (Mechanical) Students with following two Universities in Canada

University of Alberta (UoA), Canada

Subject: (i) Operation Research

(ii) Energy Management and Conservation

Laurentian University (LU), Canada

Subject: (i) Operation Research (ii) Software Engineering

But due to the time constraint we had to postpone the Summer Training Program for this year and we are not in a position to use the above.

The Students have been given the choice of joining the MBA Students at University of Alberta(UoA), Canada for studying two subjects of Management. Some students have chosen the facility.

All the remaining students may come at GTU Office, Ahmedabad with valid identification proof (College ID Card and Driving License) and collect following as per their allocated Date/Time slot.

(i) Student's passport (ii) Collect HDFC Barcode & CEAC Barcode/Refund the VISA fee (less handling charges).
