Registration Form

Latest Wireless Technologies and Mobile Application Development
17th -21th January, 2011

1. Name :
2. Designation :
3. Department :
4. Institute :

5. Address :

6. Mobile no :
7. E-mail Address :
8. Qualification :
9. Experience(years) :
10. Accommodation required : Yes/No

Date: Signature of Applicant

                                    Signature of
Place   sponsoring authority & Seal

Target Group

This is an era of Wireless Technologies and Mobile Applications. We use extensively these technologies in our day to day life. Major branches of EC, IT, CE and MCA have subjects on these in their curriculum. Hence, target audience/participants for the STTP are faculty members of EC, IT, CE and MCA of GTU affiliated degree engineering and MCA colleges. However, preference will be given to the faculty who are involved in teaching of these subjects and having at least one year of teaching experience.

Registration Charges

There is no registration fee for the faculty members of GTU affiliated colleges, however participant has to send DD of Rs. 500 in favor of "Principal, Government Engineering College, Bhavnagar" to avoid false registration and confirmation, which will be returned back at the end of the program. GTU will take care of the training cost as well as working lunch, tea- coffee and snacks during sessions. TA/DA is to be paid by the sponsoring/parent institute of participant. Accommodation will be provided on request.

Important Dates

Last date for Registration	:	07/1/2011
Declaration of the Short-listed participants	:	10/1/2011

How to apply

Interested faculty members from GTU affiliated engineering colleges are requested to complete the attached registration form. After due sponsorship, it should reach us on or before January 7th 2011. All participants are informed to bring relieving order from their respective Principal at the time of registration. Without this reliving order they will not be registered for this STTP. Candidate should also send dully filled scanned copy (with DD) of the registration form at krtrivedi@gmail.com with subject line as "STTP"

Venue

Electronics & Communication Engineering Department, Government Engineering College, Bhavnagar

Please send the completed application to:

To,
The Principal.
Government Engineering College,
Vidhyanagar,
Bhavnagar-364001

Short Term Training Programme on

Latest Wireless Technologies and Mobile Application Development

17th -21th January, 2011

Organized by

GEC Bhavnagar & SSEC- Bhavnagar

Sponsored By

Gujarat Technological University

Ahmedabad

Organizing Committee

Prof. S.B.Parmar , HOD EC Dept, SSEC

Prof. G.M.Chauhan, HOD EC Dept, GEC

Prof K.R.Trivedi, Asst Prof, EC Dept, SSEC

Objective of the STTP

The STTP is aimed at increasing the interest of faculty members in the subject so that teachers can disseminate the knowledge to their students in a much better way. Experts who have worked on latest wireless technologies and mobile application development will share their experiences which will be very useful to the faculty of UG and PG courses in EC, IT and Computer Engineering.

Brief outline of the STTP

The short term training programme mainly aims to the subjects on wireless technologies and their applications. The course content is designed in such a way that it gives a chance to participants to have hands on to learn in the lab sessions too. Mainly the target topics covers wireless sensor networks, Tiny OS, WCDMA technological aspects, 3G, RF planning and optimization, various BSS parameters, ARM Cortex processor for Mobile Devices and a bunch full of practical sessions on developing mobile applications using various technology platforms like Qt, WRT, PyS60 on Symbian and Maemo devices

Resource Persons

Participants of the STTP will be benefited by expertise and rich experience of Dr. Prabhat Ranjan and Ms. Juhi Ranjan from DA-IICT,

Dr. D.V.Subhedar from PRL, Dr. K.R.Parmar and Dr. M.V.Shah from Gandhinagar, Mr. Sanjay Gohel, Technical & Business Head 2G,2.5G, 3G Certified RF Trainer Teleysia Networks Pvt. Ltd. In addition, other eminent faculties and research experts from educational institutes and industries will also deliver the lectures and will conduct hands on laboratory sessions

GEC and SSEC, Bhavnagar

Government Engineering College (GEC) and Shantilal Shah Engineering College (SSEC) are State Governed institutions offering multi discipline post-graduate and undergraduate programmes in engineering, recognized by All India Council of Technical Education (AICTE), New Delhi. These institutes are affiliated to Gujarat Technological University (GTU), Ahmedabad

GTU, Ahmedabad

Gujarat Technological University (GTU) was established in 2007. It was established with a view to provide uniform and advanced academic platform to the Engineering, pharmacy and management institutes of Gujarat.
