

## **GUJARAT TECHNOLOGICAL UNIVERSITY**

**The meeting of Degree Pharmacy Principals related to PCI regulation and Pharmacy Curricula at L.M. College of Pharmacy, Navrangpura, Ahmedabad on 13th October, 2008 at 2.30 p.m.**

**Following points were discussed and unanimously recommended and accepted by the university.:**

- To follow PCI norms for D. Pharm. and B. Pharm. courses. The percentage split of marks should be 80:20 for the University (GTU) and internal (affiliated college) examination both in theory and practical in all the semesters.
- The internal tests in theory and practical shall be conducted by the affiliated colleges as declared by GTU. The students shall be given the advantage of remedial examination in the internal exam of theory. Practical time table will be announced separately. Institutes can arrange remedial tests as per their convenience.
