

# GUJARAT TECHNOLOGICAL UNIVERSITY

M.E Semester: III

Computer Science & Engineering

Subject Name **Advance Web Technology(Major Elective IV)**

Sr. No	Course content
1.	Internet Architecture and World Wide Web, Internet Protocols, Web Servers, Web Application and Design, Issues, Proxy Server, Plug-in modules, Web Server configuration Web document and Web page designing, using Markup Languages (SGML, HTML, XML, VRML etc.), Dynamic Pages, Scripting, Common Gateway, Interface, Sessions, Cookies, Web – Database server interface, Search Engine, Web crawlers, Web Service
2.	<b>WEB CONTENT INTEGRATIONS AND APPLICATION</b>  Centralized systems, Client -server systems, Parallel and Distributed Systems, Databases access parallelism, Inter-query and Intra-query parallelism, Inter-operation & Intra-operation parallelism, Transactions and Internet, application, Transaction Processing, Management of Log Audits, Distributed objects, Object request brokers, Component technology, Payment protocols and standards: Smart card, E - cash, E-wallet technologies, Electronic money and Electronic payment systems.
3.	<b>SECURITY ISSUES</b>  Web server, client security issues, Web Application security, Authentication on the web, Web sessions, Various Issues: Signatures, Digital certificates, Privacy, Traceability, Encryption, Firewalls.
4.	<b>INTEGRATION WITH ENTERPRISE APPLICATIONS</b>  Overview-enterprise systems architecture, issues: reliability, availability, replication, performance scalability, backup and disaster recovery Electronic publishing, Electronic commerce, Distance education, Collaborative working underlying principles and practices, Multimedia Content, Business -to-Business System - Business-to-Consumer System, Web access using Mobile and Wireless System.
